

 VOLKSWAGEN

CARAVELLE / SHUTTLE

SIDE ENTRY SOLUTIONS

 **Caravelle/Transporter Shuttle**

Available with an interior stowed side lift or an underfloor side lift, giving you access to the vehicle via the side sliding door of the Caravelle and Transporter Shuttle models. The major benefit of this conversion is that it allows you to retain the rear bench seat giving you more passenger seats than our rear entry T6 conversions and also giving you a dedicated luggage area.

A range of possibilities

Internal and Underfloor Side Lift

Standard specification

- 4 seats plus wheelchair
(front bench seat standard on Shuttle model)
- Driver and passenger side sliding doors
- Climatic air conditioning with second heater in rear passenger area
- 17" steel wheels (Shuttle only)
- Alloy wheels (Standard on Caravelle model)
(please refer to manufacturer's brochure for details)

Sample vehicle options

- Swivelling driver and front passenger seats
(not available with front passenger bench seat on SHuttle model)
- Second wheelchair position
- Parking sensors
- Automatic side sliding doors
(Standard on Caravelle Executive model)
- Climatronic 3-zone air conditioning
